About The Righteous Brothers

Blue-eyed soul pioneers The Righteous Brothers are back! With a string of #1 classics, including the most played song in radio history, “You’ve Lost That Lovin’ Feelin’”, the Rock and Roll Hall of Fame duo of Bill Medley and Bobby Hatfield topped the charts in four decades. After Bobby’s death in 2003, Bill Medley continued to perform to sold-out crowds around the world, but fans and friends pleaded with him to keep The Righteous Brothers alive. Says Medley *...No one could ever take Bobby’s place, but when I caught Bucky Heard’s show it all came together – I found the right guy to help me recreate the magic.* The concert experience features their biggest hits – “Lovin’ Feelin’”, “Soul & Inspiration”, “Unchained Melody”, “Rock and Roll Heaven”, Medley’s Grammy-winning Dirty Dancing theme “The Time of My Life”, and much, much more!

The Bill Medley/Bucky Heard pairing came as something of a happy accident. Medley says it just seemed right... *“I’d been friends with Bucky for years, but when I caught his show he just killed me! The next day it hit me – that’s the guy, someone I could sing hard with, laugh hard with, love and respect – on and off stage. He fits The Righteous Brothers live performance show perfectly. And, we’ve even recorded some new material together, I’m really excited!”*

The Righteous Brothers: Lovin’ Feelin’ Farewell Tour is presented by Delta Atlanta Symphony Hall LIVE and will take place at Symphony Hall on Sunday, June 1, 2025 at 7:00PM.

About The Swell Season

The Swell Season is back. After reconvening for a limited number of sold-out shows in March 2022, followed by a more extensive US tour in August 2023, the duo returns with new music. A studio session that started out as an effort to create a couple new singles to bring with them on tour, ended up yielding a full-length album, fittingly titled *Forward*. Although The Swell Season released a standalone single 'The Answer Is Yes' in June 2023, *Forward* will be their first full length album in 16 years.

Irglová and Hansard came to prominence together starring in the 2007 film *Once* and winning the Academy Award for Best Original Song with their composition "Falling Slowly" in 2008. The soundtrack garnered two Grammy nominations and the two christened their project, The Swell Season. They went on to release the critically acclaimed album *Strict Joy* and touring the world before branching out into solo careers.

The Swell Season: 2025 North American Tour is presented by Delta Atlanta Symphony Hall LIVE and Zero Mile Presents and will perform at Symphony Hall on Saturday, August 2, 2025 at 8:00PM.
